

## Safe Spot Swap

### **Purpose:**

The Safe Spot Swap is a designated area intended to provide a safe and neutral location for:

- Online marketplace transactions
- Trades or private party sales
- Child custody exchanges
- Other person-to-person exchanges where safety is a concern

The goal is to reduce fraudulent transactions, theft, and robberies, and to promote overall safety for residents.

### **Rules and Expectations:**

#### Legal Items Only

- The exchange of illegal items is strictly prohibited.
- This includes but is not limited to: drugs, weapons, alcohol, or any other unlawful goods.

#### In-Person Transactions Only

- All exchanges must be conducted face-to-face.
- No unattended drop-offs or pickups are allowed.

#### Custody Exchanges

- This location may be used as a neutral custody exchange site.
- However, it is not a drop-off location. Children may not be left unattended at any time.

#### Video Surveillance

- The area is under video surveillance, but is not monitored 24/7. A staff person is not assigned to view the footage or transactions on a regular basis.
- While surveillance helps deter crime, users are responsible for their own safety and the outcome of any transaction.
